Apologies to all, as newsletters are a bit few and far between of late. A major writing project is underway, and this is taking a bit longer than planned. The bright side is that there are now many new opportunities for you to take advantage of, listed in this issue. Please remember that if there's anything I can do for you, do not hesitate to ask.

What is an **ANEW-IST**? An **ANEWIST** is someone who knows how to reinvent themselves, knows how to jump-start their career, business, life. This month's article will shed more light on the subject.

**Important Note:** With this issue, we have combined the subscriber list for both the **ANEWIST** & **ANEWISMS**. This means that we are planning to provide you with more updates about opportunities at **ANEWIST™/ HersheyWier.com**. As always, your thoughts, comments and questions are welcome at [mail@hersheywier.com](mailto:mail@hersheywier.com)

### IV. The Forum - Services and Opportunities for The ANEWIST™ Readers

#### A. Autumn Commemoration

*"This is the beginning of a new day. You have been given this day to use as you will. You can waste it or use it for good. What you do today is important because you are exchanging a day of your life for it. When tomorrow comes, this day will be gone forever; in its place is something that you have left behind...let it be something good."* --Author Unknown

As we come upon the autumn season, the gateway to the close of this year, listen to what your soul is telling you to do, or not do. Write in with your discoveries:

*I am looking for artists to donate art to illustrate the psalms. I want to write completely through the psalms and have them illustrated beautifully by a wide variety of artists. Format: one psalm with illustration per page so that favorites can be printed out and hung for encouragement near the bed, recliner, or in the hospital for those too weak to read at a computer. If you know any artists who*

have a heart of compassion for those with cancer, please point them my way. This eBook will always remain free.

### C. Thought for Today

*Everybody can be great...because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love.*
